

**\*\* Coronavirus update - as of March 13, 2020 \*\***

**Dear AF Students and Members,**

Last evening the County of Dallas officially declared a [state of emergency](#) as there might be a COVID-19 community spread.

In light of the growing concerns and while the AF Dallas has not been directly affected by the virus, **we have decided to cancel ALL CLASSES on site effective tomorrow, Saturday, March 14 until further notice.**

This includes **ALL group classes and private classes**, both adults and children. The AF facilities will remain closed to the public starting tomorrow as well.

**AF Dallas staff is actively working on transitioning all our classes online for the remaining duration of the Early Spring session.**

Each class will be contacted separately to inform you of the status of your class. Please be patient during this time as **it might take 1-2 weeks before we are fully operational.**

**Please note how this closure will impact our upcoming Exams and Events.**

**EXAMS:**

- **DELF session** from March 16 through 20 is cancelled.
- **TEF session** scheduled on March 27 is cancelled.
- Please contact us at [exams@afdallas.org](mailto:exams@afdallas.org) for tentative future dates.

**EVENTS:**

- **Soirée Alliance** initially scheduled on March 28 is cancelled;
- Weekly **Brown Bag Lunch** is cancelled until further notice;
- **Cooking class** with [My French Recipe](#) - cancelled until further notice.

**OTHER:**

- **The AF Dallas premises will be closed to the public effective today - only admin staff and teachers will be allowed in;**
- **The AF Dallas library will be closed to the public** until further notice.

While the AF Dallas has not been directly affected by the virus, **the well-being and health of all our students, members, faculty, volunteers, and staff is of the utmost importance to us.**

**Thank you for your understanding and flexibility during this crisis.**
